VAO - Key To Voter Understanding Absentee Voting

The FVAP provides U.S. citizens worldwide a broad range of non-partisan information and assistance to facilitate their participation in the democratic process - regardless of where they work or live. Critical to the success of these programs are the thousands of Uniformed Services Voting Assistance Officers (VAOs) and hundreds of U.S. Embassy and Consulate VAOs located around the globe. These individuals, in military or civilian life, are responsible for providing accurate, non-partisan voting information and assistance to those citizens attempting to exercise their Constitutional right to vote. In fact, the knowledge and effectiveness of a VAO, combined with a thoroughly implemented voting assistance plan, may very well determine whether a person will, or will not understand the procedures for absentee voting. The VAO is responsible for ensuring they need to have a thorough understanding of the election process, the resources available to them, knowledge of the voting materials used, as well as the proper way of completing the Federal standard forms.

U.S. Embassy/Consulate VAOs are responsible for reaching out to U.S. citizens abroad. Examples of these are: Department of State personnel, military members in the compounds, Federal employees, U.S. organizations and businesses, and retired personnel.

U.S. Uniformed Service VAOs are responsible for reaching out to all unit members including eligible dependents. Uniformed Service VAOs stationed overseas may also provide assistance to Federal employees. Although VAOs stationed overseas are responsible for

How To Do It - Absentee Voting Frequently Asked Questions

INTRODUCTION

The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) covers the voting rights of members of the Uniformed Services (on active duty), members of the Merchant Marine, and their family members, and U.S. citizens residing outside the U.S. The Federal Voting Assistance Program (FVAP) carries out the responsibilities of this Act by providing guidance about participating in the democratic process to these citizens, regardless of their location in the world. This brochure and questions to vote absentee vary from state to state. This abbreviated form of the How To Do It brochure answers frequently asked questions concerning absentee voting. Voting Assistance Officers (VAOs) are encouraged to print, enter contact information, and distribute this text with the Federal Post Card Application (FPCA) Standard Form 76.

GENERAL INFORMATION

Can I vote absentee? Generally, all U.S. citizens 18 years or older who are or will be residing outside the United States during an election period are eligible to vote absentee in any election for Federal office, an election, at members of the Uniformed Services, their family members and members of the Merchant Marine and their family members who are U.S. citizens, may vote absentee in Federal, state and local elections.

How do I apply for an absentee ballot? Use the Federal Post Card Application (FPCA). The FPCA is accepted by all states and territories as an application for registration and for absentee ballot. It is postage-free when placed in the U.S. mail. You may also send a written request for a ballot to your county, city, town or parish clerk. The online version of the FPCA (OPFCA) is available at the FVAP website, www.fvap.gov, but must be completed, printed, signed, dated and placed in an envelope affixed with proper postage, and mailed to your Local Election Official. All States and Territories accept American Service and Guard except the FPCA.

I would like to vote but don't know how. Where can I find assistance? Specific information on applying for absentee registration and a ballot is contained in the www.fvap.gov. VAOs assigned to units at military installations and at U.S. embassies or consulates have a copy of the FPCA to assist you in completing your FPCA. U.S. citizens, especially overseas and many corporate offices of U.S. companies also have copies of the FPCA. To avoid the delays of the Uniformed Services and U.S. embassies/consulates personnel may request that copies of the FPCA through the normal distribution channels or by contacting their Service or Department of State Voting Action Officer. Other overseas citizens may request these materials by contacting the FVAP directly at fvap@fvap.gov. You will also find PDF versions of the FPCA as well as other voting related information and links on the FVAP website, www.fvap.gov.

Do I have to be registered to vote absentee? Registration requirements vary from state to state. States and territories allow the citizen to register and request an absentee ballot by submitting a single FPCA during the election year. If you are permanently registered you should submit an FPCA early in the election year. Consult Chapter 3 of the FPCA for specifics.

Where do I send my FPCA? Chapter 3 of the FPCA outlines absentee voting procedures for each state and territory. In section for under the heading of "Where to Send It" you will find a list of addresses for county and local election officials for your state or territory of legal voting residence. These officials may need to contact you for further information, please provide a current email address, phone and fax number on the FPCA.

When I submit a separate application for each election? In all states and territories, one FPCA will secure for the applicant both primary and general election ballots for future offices for an entire calendar year. The Help America Vote Act of October 2002 has extended the effective period of the FPCA through two regular scheduled general elections in the future. However, due to the current status of many UOCAVA citizens, FVAP continues to recommend that each citizen submit an FPCA at the state of legal residence in January of each year and again each time there is a change in the citizen's mailing address.

If I am required to have my FPCA or ballot returned, how do I do it? Generally, election materials may be returned or sent to before a military U.S. Commanding Officer, embassy or consular officer, or other officials authorized to administer oaths. Most states and territories do not require recitation of the FPCA or ballot. Therefore, consult Chapter 3 of the FPCA to determine your state or territory's requirements. In all instances you must sign and date the FPCA.

When mailing an FPCA or other election materials to my state or territory, do I have to pay postage? Generally, all election-related materials are mailed postage-free from any APO or FPO mail facility, all U.S. embassies and consulates and any post office in the U.S. You must pay postage if the materials are mailed from a non-U.S. postal facility. The online version of the FPCA must be printed out, signed, dated and mailed in an envelope with proper postage affixed. Ensure that your ballot or FPCA is postmarked.

When is the best time to apply for an absentee ballot? Generally, the FPCA used to request only a ballot should be received by election officials at least five days before election day to allow enough time to process the request and mail the ballot. Applying for both registration and an absentee ballot, the FPCA, may have to be mailed earlier. FVAP recommends submitting the FPCA in January of each year. Consult Chapter 3 of the FPCA for further information on state or territorial registration deadlines. Be sure to notify your election official of any change to your address.

When should I receive my ballot? Under normal circumstances, most states and territories begin mailing ballots to citizens 30-45 days before an election. If you have not received your ballot two weeks before the election, contact the FVAP/Overseas Service. They will assist you in determining when your ballot was mailed. Always enclose and return your absentee ballot regardless of when you receive it. Court decisions sometimes require the counting of ballots voted by election day, but received late. See the Overseas Service and Federal Office Absentee Ballot sections below.

What is an election for Federal office? An election for Federal office is any general, special, runoff or primary election held solely or in part for the purpose of selecting, nominating, or electing any candidate for the office of President, Vice President, Presidential elector, Member of the United States Senate, Member of the United States House of Representatives, Delegate from the District of Columbia, Guam, Virgin Islands, and American Samoa, and Resident Commissioner of the Commonwealth of Puerto Rico.

What is the Federal Write-In Absentee Ballot (FWAB) for overseas citizens? Military personnel and their voting age dependents (all in the United States and overseas), and U.S. citizens overseas may be able to use a Federal Write-In Absentee Ballot (FWAB) instead through VAOs at military installations or at U.S. embassies/consulates. To be eligible for this ballot, a citizen must:

1. be located overseas (including APO/FPO addresses), or member of the Uniformed Services (including active dependents) abroad from their voting residence;
2. apply for a regular ballot early enough so that the request is received by the local election official at least 30 days before the election or by state deadline, whichever is later;
3. not have received the requested regular absentee ballot.

The on-line version of the FWAB (OPFWAB) is available at the FVAP website, www.fvap.gov, but must be answered completely, printed, signed, dated and placed in an envelope affixed with proper postage, and mailed to your local election official. Refer to Chapter 3 of the FPCA to determine your state or territory's unique oratory requirements for voted ballots.

1. The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)

The Director, Federal Voting Assistance Program (FVAP), in the Department of Defense, is responsible for administering the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* (42 USC Sec. 1973f) on behalf of the Secretary of Defense who is the Presidential designee for the Federal functions of the law.

The *UOCAVA* allows the following U.S. citizens to vote absentee:

- Members of the U.S. Uniformed Services (on active duty) and merchant marine,
- Their family members, and
- U.S. citizens residing outside the U.S.

Members of the U.S. Uniformed Services or merchant marine and their family members may vote absentee while away from their place of voting residence, wherever stationed, inside or outside the United States.

U.S. citizens residing outside the United States and its territories may vote in the state or territory where they last resided immediately prior to departing the United States, even if many years have elapsed and the citizen maintains no residence in the state or territory and the intent to return to that state or territory may not be certain.

The *UOCAVA* covers over six million potential voters worldwide.

The *UOCAVA* requires states and territories to allow the groups listed above to register and vote absentee in elections for Federal offices. In addition, many states and territories have developed their own laws allowing citizens covered by the *UOCAVA* to register and vote absentee in state and local elections as well.

The *UOCAVA* requires each Federal department and agency with personnel covered by the *UOCAVA* to have a voting assistance program. The FVAP biennial Voting Action Plan and the Department of Defense Directive 1000.4 establish policy and guidelines for carrying out an effective voting assistance program (see Chapter 2).

2. Helping U.S. Citizens to Vote

The goals of the FVAP and military and civilian VAOs worldwide is to:

- inform and educate U.S. citizens worldwide of their right to vote,
- foster voting participation,
- protect the integrity of, and enhance, the electoral process at the Federal, state and local levels.

In carrying out the responsibilities of the *UOCAVA*, the FVAP provides information and materials to *UOCAVA* citizens to help ensure their enfranchisement and promote understanding and participation in the democratic process.

Program activities range from the development of the universal Federal Post Card Application (FPCA or SF 76) (see Chapter 2, Section 5) which is accepted by all 55 U.S. states and territories and serves as simultaneous application for voter registration and/or an absentee ballot; to the production and worldwide distribution of print, broadcast and electronic voter education and information services; to developing and maintaining a working relationship with U.S. states, territories and other Federal government agencies to simplify the registration and absentee voting processes while maintaining its integrity.

Information For Voting Assistance Officers

2006-07 Voting Assistance Guide

1. The Voting Assistance Officer and the Service/Agency/ Organization Voting Assistance Program

The *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* - See Appendix A - requires each Federal department and agency with personnel covered by the UOCAVA to have a voting assistance program. FVAP's biennial Voting Action Plan and the Department of Defense Directive 1000.4 (available at www.fvap.gov) establish policy and guidelines for carrying out an effective voting assistance program.

Civilian and Military Voting Assistance Officers (VAOs) are critical to the success of these programs as are those programs carried out by volunteers in organizations of U.S. citizens overseas. These individuals, both military and civilian, are responsible for providing accurate nonpartisan voting information and assistance to all of the citizens they help. They aid in ensuring that citizens understand their voting rights and how to register and vote absentee under the UOCAVA.

The U.S. Uniformed Services have an extensive chain-of-command which provides support for their VAOs. The Department of State offers voting assistance through its Embassy and Consulate VAOs to all U.S. citizens outside the United States. In addition, many U.S. citizen organizations and corporations outside the United States designate and support VAOs to assist their members, employees and other U.S. citizens living abroad.

This first section provides guidance for VAOs on the performance of their duties and on carrying out a successful Service, agency or organization voting assistance program.

A. The Absentee Voting Process

The absentee voting process permits citizens covered by the UOCAVA, who will be away from their local polling places on election day, to vote through the mail or an alternative method. Absentee voters should request their ballots at least 60 days before the election whenever possible to allow enough by-mail transit time.

- First, a person must register to vote in his/her state of legal residence (See Section 2). In order to register and/or vote absentee, an eligible U.S. citizen must carefully, legibly and accurately complete a Federal Post Card Application (FPCA - See Section 5) and submit it to the proper election official. State-specific instructions for completing the FPCA are contained in Chapter 3.
- Second, the local election official, once receiving the form, will process the FPCA to determine if the citizen meets the jurisdiction's residency requirements. The local election official will contact the citizen if there

are any questions during the process, or if the form is not acceptable. For this reason, it is critical to provide an email address and other contact information on the FPCA.

- When the citizen receives the ballot, it should be voted and returned as soon as possible to ensure the state's ballot receipt deadline is met.

B. How to Implement a Voting Assistance Plan

The Military and Embassy/Consulate Voting Assistance Officer (VAO) has the important responsibility of providing accurate, nonpartisan voting information and assistance to the individual who wants to register and vote. The effectiveness of a VAO determines whether a citizen will understand how to participate in the process. Each VAO can accomplish his/her voting assistance plan by holding informational classes and informal discussions concerning voting and the responsibilities of a concerned citizen.

When developing a local voting assistance plan, the VAO should consider the following:

- Visit the FVAP's website at www.fvap.gov.
- Help U.S. citizens to register and obtain a ballot.
- Encourage them to learn about the candidates, the issues and to vote.
- Distribute all voting materials and information in a timely manner.
- Make certain you have at least four cardstock FPCAs for each person for whom you are responsible. This will provide a sufficient supply to cover eligible family members, changes of address, deployment and new arrivals to your section of responsibility.
- Make certain you have at least one Federal Write-In Absentee Ballot (FWAB - See Section 6) for each person you are responsible for.
- Hold a voting information briefing or voter registration drive for the citizens you are responsible for assisting.
- Coordinate activities for Overseas Citizens' Voters' Week (July 2-8, 2006), Armed Forces Voters Week (Military - September 3-9, 2006) and Absentee Voting Week (October 8-14, 2006).
- Display the 2006 Election Dates poster, and put your name, telephone number and email address on the

I. APPLICATION INSTRUCTIONS FOR FPCA

Provide the complete street address of your North Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 5. For example: "on Highway _____, 2 miles past Highway _____, across the street from the gas station." This address must be different from the one provided in Block 4 and must be within the county or township where you claim legal voting residence.

Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.

In order to receive ballots and other accompanying voting materials via fax or electronic mail transmission, your application must include your signature and your fax number or email address. (See Sections I.E and I.F.)

You must sign the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of North Dakota and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official every year and whenever you change your mailing address (see Chapter 2).

North Dakota has no voter registration.

Requesting an absentee ballot: Although the County Auditor will accept a completed FPCA or North Dakota Ballot application at any time before the election, you should submit it to the County Auditor in time for you to receive, vote and return the absentee ballot by mail to the county.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the County Auditor before the county canvassing board meets which is usually 3 days after the election and as many as 6 days after the election.

Postmark your voted ballot before election day. (Other official date stamps will be accepted as well.)

Local election officials mail or send ballots approximately 40 days before the election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 21.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

North Dakota allows you to send the FPCA for ballot request by fax or email if you are a Uniformed Service member stationed away from your voting residence, or a spouse or dependent of a Uniformed Service member living outside the U.S. After faxing or emailing, submit the FPCA by mail (see Section I.C.).

North Dakota allows you to receive the blank ballot by fax or email if you are a Uniformed Service member stationed away from your voting residence, or a spouse or dependent of a Uniformed Service member living outside the U.S. (see Section I.C.).

North Dakota allows you to return the voted ballot by fax if you are a Uniformed Service member stationed away from your voting residence, or a spouse or dependent of a Uniformed Service member living outside the U.S. The local election official will compare the signature on the voter's affidavit accompanying the ballot with the signature on the FPCA. After faxing or emailing, submit the voted ballot by mail.

F. Federal Write-In Absentee Ballot

North Dakota has expanded the use of the Federal Write-In Absentee Ballot (FWAB), SF-186. The instructions described in Chapter 2 of this Guide remain the same, except that North Dakota also allows eligible voters to use the FWAB for all Federal, State and local elections as well as petitions.

If you receive the regular ballot after returning the FWAB, you may also vote and return the regular ballot. If both ballots are properly executed and received before the close of polls on election day, only the regular ballot will be counted.

G. Special Write-In Absentee Ballot

North Dakota provides a state special write-in absentee ballot available before an election if you will be unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in extremely remote areas of the world.

The FPCA may be used to request this state special write-in ballot. In Block 6 of the FPCA, place one of the state special write-in labels from Section IV.E. If no labels are available, write in Block 6: "I am unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in extremely remote areas of the world. I request a special write-in absentee ballot."

The state special write-in ballot may be requested at any time before the election. It may be used to vote for presidential electors, members of the U.S. Senate and members of the U.S. House of Representatives. Vote it by writing in a party preference for each office, the names of specific candidates for each office or the name of the person whom you prefer for each office.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of North Dakota and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in North Dakota.

- residents of North Dakota temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas citizens (for local, state and Federal office ballots)

Note: The only electors limited to a Federal only ballot are those children of qualified electors who have never lived within the U.S. (See Section IV.C).

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

North Dakota has no voter registration.

Requesting an absentee ballot: Although the County Auditor will accept a completed FPCA at any time before the election, you should submit it to the County Auditor in time for you to receive, vote and return the absentee ballot by mail to the county.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the County Auditor before the county canvassing board meets which is usually 3 days after the election and as many as 5 days after the election.

Postmark: your voted ballot before election day. (Other official date stamps will be accepted as well.)

Local election officials mail or send ballots approximately 40 days before the election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 21.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- North Dakota allows you to send the FPCA for ballot request by fax or email. After faxing or emailing, submit the FPCA by mail (see Section I. 1).
- North Dakota allows you to receive the blank ballot by fax or email (see Section I. 2).

to the same voting jurisdiction. If they have the same final destination, more than one FPCA with one cover sheet may be faxed in a single transmission. Ensure all pages are transmitted successfully and in proper order.

4. After faxing, mail the completed FPCA to the local election official's address as listed in the state section in Chapter 3, even if it may not arrive by the state's registration/ballot request deadline. See Mailing Instructions in Chapter 2.

B. Receiving the Blank Absentee Ballot by Fax

The citizen should vote in private and seal the ballot in the security envelope for mailing (See Section 3) - and fax the voted ballot (as allowed by the state) in private.

The voter must understand that by faxing the voted ballot, he/she is waiving the right to secrecy of the ballot. The voter must sign a statement on the transmittal cover sheet indicating, "I understand that by faxing my voted ballot I am voluntarily waiving my right to a secret ballot." This must be followed by the signature of voter and the date. The voter is advised to obtain and retain a facsimile receipt of the date and time the voted ballot was faxed successfully.

PRIVACY ACT STATEMENT

AUTHORITY: 42 USC 1973ff, "Title 1 - Registration and Voting By Absentee Uniformed Services Voters and Overseas Voters in Elections for Federal Office."

PRINCIPAL PURPOSE: Serves as an application for registration and/or request for absentee ballot for all persons covered by the Uniformed and Overseas Citizens Absentee Voting Act.

DISCLOSURE: Voluntary; however, failure to provide the necessary information may keep the pertinent jurisdiction from processing this request and may prevent you from voting absentee.

SPECIFIC INSTRUCTIONS FOR COMPLETION.

Please use the *Voting Assistance Guide* for specific state-by-state information when completing this form. Type or print legibly. Assistance and information regarding the use and completion of this form, as well as specific state information may be obtained from military Unit Voting Assistance Officers, U.S. Embassy and Consular Voting Assistance Officers, or organizations of U.S. citizens overseas and <http://www.fvap.gov>.

Block 1. Place an X only in one block. Marking Block 1(c) generally means that you were a resident of that state before departing the U.S. and your intent to return at some time in the future is uncertain. Marking Block 1(c) applies for a Federal ballot only (if one is printed by the state).

Block 2. MY INFORMATION. Block 2d. RACE. This information is requested from some states for statistical purposes by the Department of Justice in their enforcement of the Voting Rights Act and the National Voter Registration Act. See *Voting Assistance Guide*.

Block 3. MY VOTING RESIDENCE ADDRESS. Enter the complete legal voting residence address (including county) where you ACTUALLY LIVED in the state or territory. Your right to vote in your state and determination of your voting precinct depend on the physical location of your residence while you were in the state. DO NOT USE A POST OFFICE BOX NUMBER. In an area with no street names, indicate route name and number and box number. Also provide any additional information necessary to physically describe your residence location. If you have never lived in the U.S., check the *Voting Assistance Guide* for the states that allow you to vote using a parent's voting residence address.

Block 4. WHERE TO SEND MY VOTING MATERIALS. Block 4a is the complete mailing address where you are now living. If you have an alternate address or an address of a mail forwarding service that delivers your mail more quickly, enter that address in Block 4b. If your state allows absentee ballots to be sent via e-mail or fax, check the appropriate box in Block 4c. See *Voting Assistance Guide*. This form should be resubmitted every time you change your mailing address.

Block 5. MY POLITICAL PARTY PREFERENCE. This is an optional entry; however, this information is required by most states in order to vote in primary elections. Consult the *Voting Assistance Guide* for any specific state information required.

Block 6. ADDITIONAL INFORMATION.

(1) Provide any information that may assist the local election official in approving this application. It would be helpful if you provide the date you last lived at the address in Block 3a and if you list a name and telephone number of a local contact in the event the local election official cannot contact you and has a question concerning the application.

(2) If you were previously registered to vote in a jurisdiction other than the one in which you are applying, indicate "previously registered in (location)".

(3) Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice in Block 6. (Depending on your state of residence, you may also receive ballots for State and local offices during the selected period as well.)

(4) If your state provides a special state write-in ballot and you are requesting one, indicate the reason you are requesting a special write-in ballot or place a sticker from the *Voting Assistance Guide* in this section.

Block 7. AFFIRMATION. Ensure that you read the oath, sign, and enter the date you completed the form in the spaces provided. Not all states require a witness or notary, and state laws vary regarding the voting of convicted felons. Consult your state section of the *Voting Assistance Guide* or your Voting Assistance Officer for your state's requirements.

MAILING INSTRUCTIONS. Fold and seal using the adhesive tabs so that the local election official's address is on the outside. DO NOT STAPLE.

Block 4. WHERE TO SEND MY VOTING MATERIALS. Block 4a is the complete mailing address where you are now living. If you have an alternate address or an address of a mail forwarding service that delivers your mail more quickly, enter that address in Block 4b. If your state allows absentee ballots to be sent via e-mail or fax, check the appropriate box in Block 4c. See *Voting Assistance Guide*. This form should be resubmitted every time you change your mailing address.

Block 5. MY POLITICAL PARTY PREFERENCE. This is an optional entry; however, this information is required by most states in order to vote in primary elections. Consult the *Voting Assistance Guide* for any specific state information required.

Block 6. ADDITIONAL INFORMATION.

(1) Provide any information that may assist the local election official in approving this application. It would be helpful if you provide the date you last lived at the address in Block 3a and if you list a name and telephone number of a local contact in the event the local election official cannot contact you and has a question concerning the application.

(2) If you were previously registered to vote in a jurisdiction other than the one in which you are applying, indicate "previously registered in (location)."

(3) Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice in Block 6. (Depending on your state of residence, you may also receive ballots for State and local offices during the selected period as well.)

(4) If your state provides a special state write-in ballot and you are requesting one, indicate the reason you are requesting a special write-in ballot or place a sticker from the *Voting Assistance Guide* in this section.

Block 7. AFFIRMATION. Ensure that you read the oath, sign, and enter the date you completed the form in the spaces provided. Not all states require a witness or notary, and state laws vary regarding the voting of overseas felons. Consult your state section of the *Voting Assistance Guide* or your Voting Assistance Officer for your state's requirements.

MAILING INSTRUCTIONS. Fold and seal using the sealing tabs so that the local election official's address is on the outside. DO NOT STAPLE.
